

Warbler

A View from County Hall

At NYCC I sit on two planning committees, the main committee deals with minerals and waste - all the big boys stuff, quarries, HWRC ("tips" to you and I) and of course gas. We are at present updating our minerals and waste plan which is a joint policy with City of York and North Yorkshire Moors National Parks.

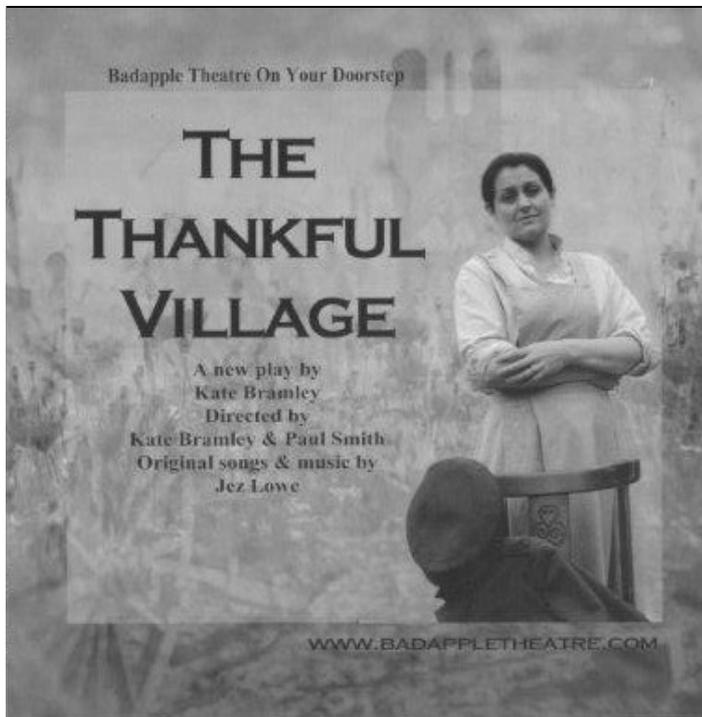

The other committee is the Planning and Regulatory Functions Sub Committee which is made up of five members sitting in a quasi-judicial capacity. We look at disputed rites of way, the record of which is kept on the 'Definitive Map and Statement' which we have a statutory duty to maintain. The committee make a recommendation, but ultimately the final decision has to be confirmed by the secretary of state.

Representing one of the most rural areas in North Yorkshire and being a dog walker and past horse rider, I am very aware of the value of our public rights of way network to both residents and our tourism industry. I really enjoy my work on this committee but sadly it looks as though it is going to be a victim of the massive cuts we have to make.

Currently there are 306 applications outstanding and the team are only able to process about 50 per annum. In addition, we get about 33 new applications a year so in effect, we are paddling backwards! It has been suggested that officers are given delegated decision making powers bypassing the lengthy committee process. I can see the benefit of this change as we should be able to get through more work and clear the backlog, however it does remove yet another layer of local democratic accountability.

Public services are now cutting into the bone and it is clear we will have to take more responsibility at local level. We can't stop these changes, but we can ensure we are geared up to working a positive way through them.

St Leonard & St Mary's RC Church, Malton

A Ryedale church was packed with parents, godparents, relatives and friends when 15 youngsters received their first Holy Communion.

The service at St Leonard & St Mary's RC Church, which was conducted by parish priest Father Tim Bywater., included readings, psalm, bidding prayers and the offertory procession by brothers and sisters of the 10 girls and five boys.

Father Tim thanked the parents and godparents for keeping their promises made when the children were baptised.

Representatives of St Mary's Primary School, Malton, also attended the service.

Ellen Longworth, 15, sang solo "Panis Angelicus" accompanied on the guitar played by her father Dr David Longworth who was joined for "reflective music" by parish council chairman John Gallagher on his guitar as the children received communion. The organist was Martin Dales.

The 15 were: Grace Behan, Holly Creber, Zoe Eyre, Benjamin Fisher, Celine Longworth, Lucy McMahon, Chelsea Manaos, MJ Manuel, Sarah Phillips, Matthew Saxby, Emily Simpson, Michael Tyler, Jalen Welburn, Abbey White and Thomas Woodhead.

A reception was held afterwards in the parish community centre.

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

St. Mary's Luttons Ambo

It is with regret that the Flower Festival planned for the 25th, 26th and 27th July, has been CANCELLED, due to lack of support to decorate the church. We will, however, still keep Saturday 26th July as a Summer Event. Watch this space!

The plant sale in aid of St Mary's Church W. Lutton held on Saturday May 17th 2014 raised £237, a wonderful amount!

Our thanks go to everyone who contributed plants, plant-pots, compost, cakes and their time. Thanks also to everyone who helped on the day, your support made this a lovely event. And finally, very many thanks to everyone who bought plants! Thank you!

Christian Aid
We believe in life before death

"Thank you to everyone who helped make the Christian Aid Week in the Wolds Valley such a success. The hard work of the volunteers and the generosity of folk means that we able to collect the grand total of £354.42, it should make a big difference to those refugees who really need it."

Thank you all for delivering the Christian Aid envelopes and then having the task of calling on folks and collecting them.
