

# THE WOLDS VALLEY Warbler

A Newsletter for Wolds Valley Residents  
ISSUE 84 • SEPTEMBER 2012

## A View from Ryedale House

In this part of the world most of us are familiar with the sight of racehorses on their way to early morning gallops – indeed horse racing, and particularly training, have long been part of the fabric of the Wolds countryside. Many of us (myself included) may not, however, have appreciated just how dangerous a sport it can be (to both horse and jockey). Each year a surprising number of jockeys suffer injuries, some of which are life-threatening and/or disabling. Many require intensive rehabilitation. To that end, how appropriate it would be for the Jockey's National Rehabilitation Centre to be located in our district. Although various hurdles still have to be jumped (forgive the pun), we have reason to be optimistic that this will happen.

It would also be a fitting tribute to Jamie Kyne and Jan Wilson (two young promising jockeys who lost their lives in tragic circumstances in 2009). We, at the District Council, will continue to give this deserving initiative our full support.

As before, please feel free to contact me at [edward.legard@btconnect.com](mailto:edward.legard@btconnect.com) regarding any issue that falls within the District Council's control.

Written by John Godber September 2012 sees an exciting new opportunity for our local Yorkshire halls as we have been given permission to tour John Godber's modern classic comedy, September in the Rain. It follows the journey of a Yorkshire couple, from newly-wed to old age, who are drawn back to the same seafront holiday year after year.

## Services for the Month of September

### Legacy

The word 'legacy' has been used a lot this summer. It is part of the title of a film that came out at the end of August: "Bourne Legacy" (a follow-up to the trilogy of Bourne films). I was really looking forward to seeing it, yet I have to confess, having seen it last week, it did not live up to my expectations at all!

Fortunately that legacy is entirely fictional. However, the other 'legacy' that has been used this summer is very much a part of our reality, especially in this country, for it was used in connection with the Olympics and the Paralympics. We all remember how the London bid for the 2012 Summer Olympic and Paralympic Games included a pledge to use the events to inspire two million people to take up sport and physical activity at the heart of the bid: "Legacy includes sporting, economic, cultural, and environmental benefits." If the sportsmen and women of the Olympic Games were inspiring, how much more so are the para-olympians! For they have not only pushed themselves to reach the top of their sport, they have also overcome incredible adversity in order to do so, overcoming serious disabilities, illnesses, accidents and personal disasters. Surely their 'legacy' to us is so much more than just inspiring us to take up a sport. Their 'legacy' to us also includes courage, perseverance, hope, determination, faith etc. to name just a few.

It seems appropriate to finish with a quote that was written near Greece where the Olympics first originated. From what this writer says, you feel they have not only witnessed the ancient games but also understood what legacy was as well: "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and all that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart." (Hebrews 12 vs 1-3)

# Luttons

## Yorkshire Countrywomen's Association Luttons Branch

We do like to plan ahead in our branch - don't groan - we have starting planning for Christmas!!!! For several years now in December we have visited a stately pile to see the house decorated in all its Christmas finery. This year we have decided to go really grand and take ourselves off to Chatsworth on 5th December - the house will be decked out in fine style and there is plenty to do and see. We thought it would be really great to make a 'do' of this, hire a coach and take friends, family, community members and other YCA branch members. If you would be interested in joining us please contact Lorna on 01944 738585 or Rachel on 01944 738520. The cost will be £25.00 (buy/take your own lunch) payable when you confirm your booking. Everyone is welcome (not just the ladies this time!) - the more the merrier, but places are limited so get in contact quickly to secure a place.

## Helperthorpe

### St Peter's Church, Helperthorpe Summer Fete

Thank you to all the people who supported the Church Fete on 14th July.

We were very fortunate with the weather and were pleased to see everyone who came. Thank you also to all those people who generously donated cakes, prizes etc.

Thank you also to Will for letting us use his paddock this year and to those who helped to set up on the Saturday morning.

The total raised was £757 which was great!

There are quite a selection of books on sale at the back of the church.

Why not call in and have a look.

## Foxholes

### Foxholes Village Hall

New book lending service for Foxholes and sister villages, with refreshments and crafts.

You are invited to the Foxholes village hall on the first and third Saturdays of the month between 10.00 and 12.30 pm to enjoy our free book-lending venture. Our next date for your diary is 1<sup>st</sup> September.

Following the withdrawal of our library service, the Foxholes village hall committee decided to try to replace it but also to offer some welcome additions. Our alternative has proved popular with villagers who also welcome the chance for a chat with a cuppa. Refreshments are available, also a craft table and occasional produce. Some books will also be on sale.

Borrowing a book or jigsaw is free of charge and the service is available to anyone from Foxholes and the local villages. All the books available to lend have been donated. To ensure a steady supply, we would be most grateful for suitable books and jigsaws you feel able to part with, particularly if they are of general interest and in good condition. We would also welcome children's books.

From time to time we will be offering special events to compliment the coffee and lending sessions, please check your local newsletter for information on these.

Both the lending service, and refreshments are made possible because of the support of volunteers, and more are needed. If you are interested and would like help, please come along, you can be sure of a warm welcome. Whether young or older, age is no barrier to volunteering, so please do consider what you might like to offer, you could, for example, add your name to a rota if you are not able to attend regularly. We would particularly like to hear from you if you are from Butterwick, Weaverthorpe, the Luttons or indeed, any of our other 'sister' villages on the Wolds not mentioned but who would be pleased to use the book exchange. What could be nicer than a few hours amongst friends and books with a cuppa?

We look forward to seeing you at our next sessions on the first and third Saturdays of September.

## Wharram le Street

### Village Fete

Although the weather was a little less summery than for our Jubilee BBQ. A very enjoyable time was had by all. Plenty of villagers attended and once again the BBQ manned by Paul Teale proved very popular. The youngsters and some not so young enjoyed the games and activities on offer and some very interesting throwing techniques were observed in the wellie wanging competition. The money raised from the stalls came to over £160 and this will be placed in our village account and kept for future activities. I would like to thank everyone who helped and attended and a special thanks to Roz of The Middleton Arms for the beer tent.

Roger Kay.
