

Warbler

A View from County Hall

Mental health and wellbeing is high on the agenda for both Council and the NHS at the moment. The new "Future in Mind" programme goes some way towards addressing the mental health of our children and young people but as I am sure we are all aware, this is a problem that can affect us all at any age.

Last week I went to the launch of "Shelf Help" a new collection of books created to help young people manage their mental health and wellbeing. The books are part of the Reading Well on Prescription scheme and contain general information about managing personal wellbeing and the

ability to cope under pressures. There are also books covering specific topics or conditions, including anxiety, depression, bullying, autism, eating disorders and self-harm.

There are some great titles - The Curious Incident of the Dog in the Night-Time by Mark Haddon and The Perks of Being a Wallflower by Stephen Chbosky, were two of the fiction books that caught my attention along with popular non-fiction titles such as Mind Your Head by Juno Dawson and The Amazing Teenage Brain Revealed by Nicola Morgan.

Most of us are aware of the problems at the other end of the age spectrum, but it's a very sad fact that 10% of children and young people now have a diagnosable mental health condition. One in ten young people deliberately self-harm, with 15,000 of them hospitalised every year from their injuries.

The new books are available for anyone to borrow free from NYCC libraries. I am assured there will be a list of titles in the visiting Super Mobile library and that they can be ordered in on request.

I'd just like to say a huge thank you to everyone who came to the Bingo night or bought a raffle ticket in aid of my charity expedition to Peru. We made over £100 in the raffle alone and raised a grand total of £380. I would also like to say a huge thank you to all of the people who gave me a raffle prize as this is a huge help to me and the fundraising as a whole.

This night has helped me to bring the amount needed for the trip to £200 which I will be doing more work to help get. Thank you so much for everybody's support and thank you to this community as a whole. Thank you all again.

They've done it again! Your Village Hall Committee have organised yet another great evening's entertainment. Dorothy's War presented by The Harmonettes was first class, highly professional (they have 22 more dates booked), hilariously funny and thought provoking.

Sometimes perhaps the title may not appeal, or the thought of a night out in the Village Hall would not be your first choice but these events are always first class and there's a bar and yes, ice cream too so come on give it a go next time. The Committee are working hard to keep the Village Hall going in good shape so tear yourselves away from the telly and the internet and come along for a really good (bargain) night out.

COLD SNAPS, WARM HOMES

The results of Rural Action Yorkshire's Cold Snaps Warm Homes Thermal Imaging Survey of Weaverthorpe were provided in the Village Hall on Saturday 16 April. Over 35 households picked up their Thermal Image and had an opportunity to discuss this with representatives from Rural Action Yorkshire and their partners. Most of those that attended also took home an electricity monitor, enabling them to monitor how much electricity they are using and adjust their usage if necessary.

By now all remaining Thermal Images should have been delivered to the those who were unable to attend the Village Hall along with leaflets outlining ways to make your home more energy efficient, reduce bills and stay warm and well in cold weather. The Chair of the Parish Council has managed to get his hands on a small number of additional electricity monitors, these are available on a first come first served basis. If you require one please contact Femi Shellard on 01944 738 884 or pop along to Dizzy Heights to collect one.

The Parish Council would like to thank Rural Action Yorkshire and their partners for conducting the survey and interpreting the images. A huge thanks also goes to the ladies of Weaverthorpe for providing refreshments throughout the event. Finally thank you to the volunteers from the Parish Council who welcomed the residents and handed out the images.
