## BROADBAND NEWS

### The Better Broadband Subsidy Scheme

The UK government is committed to providing every home and business across the country with access to a basic broadband service.

If you can't get a broadband speed of at least 2MB per second, you could qualify for a subsidised connection worth up to £350 to boost your internet speed.

The scheme is delivered in partnership with Local Broadband Projects across England, Scotland and Northern Ireland.

Final copy date 18th of the month for the following months issue to:-  
Trevor Thomson

Gypsy Cottage, Main Road, Weaverthorpe, YO17 8EY  
Telephone: 01944 738804

The Warbler is available to download on the Luttons & Weaverthorpe Website.

### Superfast Broadband

#### has now arrived in Duggleby

Duggleby has now been upgraded to fibre broadband.

To check what speed is available to you then please enter your telephone number into the availability checker

<http://www.dslchecker.bt.com/adsl/adslchecker.welcome>

The next steps will be to contact your service provider and place an order with them for fibre optic broadband.

Just to let you know that not all service providers are offering fibre in your area and you may need to use a comparison website to see who is offering the service. Just enter your postcode into <http://www.broadbandchoices.co.uk/> and select the 'fibre' tab.

Superfast broadband will help improve access to jobs, allow local companies to compete in the global marketplace, create new opportunities for local people in the way they work, learn and enjoy their leisure time, and help young people make use of educational resources online.

Premises that will not benefit from fibre deployment will be reached with a variety of alternative technologies such as wireless or satellite.

If you have any questions, please email at [info@superfastnorthyorkshire.com](mailto:info@superfastnorthyorkshire.com)

Visit

[basicbroadbandchecker.culture.gov.uk](http://basicbroadbandchecker.culture.gov.uk) to find out if you are eligible for a subsidy.

Fill out a simple application form.

If you qualify you will be emailed a unique code.

Use the code with selected service providers to get a subsidised broadband service.

Wolds and Vale Federation Celebrates a Double 'GOOD' in the Sherburn CE VC Primary School Ofsted Inspection

Wolds and Vale Federation consists of Sherburn CE VC Primary school and Luttons Community Primary School. Last September Luttons received a 'Good' judgement in their Ofsted report, and now Sherburn celebrates the same accolade in their latest inspection.

The latest report for Sherburn School highlights "Pupils have a positive attitude to their learning which, when combined with their good behaviour, contributes to their good progress. In lessons, pupils work hard and cooperate well. The use of outdoor learning is a good example of how pupils use your rural setting as an inspiration for writing."

The full Ofsted report can be read on the school website at [www.sherburn-primary-yorks.sch.uk](http://www.sherburn-primary-yorks.sch.uk), or on the Ofsted website.

### TOTALLY SOCIALLY

Totally Socially Team L-R: David Stone, Philip Coyne, Jo Oliver and Charlotte Angus. Photograph courtesy of Dave Barry, Scarborough Review.

Coast and Vale Community Action (CaVCA) has been awarded funding from the BIG Lottery Reaching Communities Fund to help people in the district of Ryedale and the borough of Scarborough make the changes they want to see in their communities.

The project will support people and groups to take action on locally identified issues to improve quality of community life for all.

The funding will support a three-year programme that builds on the success of the Totally Socially events held annually in Scarborough since 2014.

It will focus on supporting individuals and groups at grass roots level to develop projects and activities that meet the needs they have identified in the places they live.

Chief Executive of CaVCA, Mel Bonney-Kane said: "We believe in the power of communities and people to change things for the better."
