A View from Ryedale House

For the moment, news from Ryedale District Council is limited. There are some reviews in progress, however, until these have been completed and councillors have had an opportunity to consider the results, there is little to say.

However, the chair of West Luttons Parish Council brought to my attention an issue that could have an impact for all residents in this region. A review is currently being undertaken for the future delivery of healthcare services by the Scarborough & Ryedale Clinical Commissioning Group and York Commissioning Group.

Although these discussions are at an exploratory stage with no decisions as yet taken, under consideration is the re-allocation of a number of services. Under consideration is that Scarborough Hospital would provide Accident & Emergency Services, maternity and paediatric services. The other services could then be relocated to York Hospital.

In gauging the public's reactions to proposals, attendees at a recent meeting were asked if they would be willing to travel a little further for a better clinical outcome. At face value, this in itself is not unreasonable given that healthcare budgets are under pressure. However, there are practical considerations that also need to be taken into account.

For example, a resident living on the outskirts of Ryedale has an operation at York Hospital as opposed to Scarborough Hospital as the treating facilities have been moved. This could involve a stay, and for visiting family members, it could mean anything up to an 80-mile round trip, additional time, expense and disruption to family life. During Wintertime, weather conditions could become a major consideration. There will be additional consultations, and I would recommend that residents take an interest in any proposals that are put forward as well as expressing their views.

Weaverthorpe War Memorial

Weaverthorpe War Memorial was unveiled in September 1922 by Lady Sykes, in commemoration of six local servicemen who died during the First World War. Following the Second World War an inscription was added to commemorate three men who had died during that conflict. A further name from the First World War was added a few years ago. It is a Grade 2 listed monument and is particularly relevant given the commemorations of battles in the First World War which have had their centenaries in the recent past.

The land on which the Memorial stands is maintained by a volunteer from the Parish Council and is kept in a manner that befits its importance.

On Remembrance Day each year there is a service held at the Memorial at which the Poppy Wreath is laid and in recent years Poppy replicas are laid on behalf of the children in the Village, the two minutes silence is observed and The Last Post is played.

Attendees at the service on 12th November 2017 were appalled by damage caused by horse shoes to the carefully maintained grass around the Memorial. The Parish Council, at their meeting on 20th November 2017, asked that an article be put in the Warbler to ask horse riders in or passing through the village to respect the site and not to allow their horses on to the grass on the War Memorial Site.

LUTTONS PARISH COUNCIL

Defibrillator fund raising ...latest! It could save your life!
Many thanks to all the residents of Helperthorpe who very generously donated in the recent doorstep collection.

A massive £415 was raised! Well done!
Thanks must be given to our two volunteers who did considerable leg work, knocking, door to door, wandering up and down the village!

If anyone would be interested in conducting a similar collection in East Lutton or West Lutton that would be brilliant, see if you can match the Helperthorpe efforts. I can provide customised envelopes for each of the villages. All you then need to do is knock and ask!

We are also looking for anyone who would wish to help maintain the telephone boxes, the East Lutton one is crying out for a spruce up! Even better... any local electricians who may be able to assist with the installation of these devices... please step forward!

Many thanks again to all the contributors so far enabling this project to succeed.

Any offers of help can be made directly to nigelberesford@tiscali.co.uk

Remember it is OUR community and only as good as the effort of everyone. Your Parish Council is just 7 people doing their best in their own time with limited resources, so if anyone wishes to get more involved in this project or any others, have ideas, can offer skills, we would love to hear from you.

Many thanks, Nigel Beresford

Foxholes

Foxholes Library & Coffee Mornings

Saturday mornings 10-12pm 2nd 16th & 30th December 2017

The number of readers visiting the community library over 2017 has continued to grow, many bringing friends and family from the wider area including villages in the Wolds valley and as far as Driffild, Scarborough and beyond. We are also attracting people with holiday homes in the area, giving them an opportunity to meet up with the locals

Feed-back from our new readers has been wonderful, at the wide selection of books, DVD's and jigsaws available and the beautiful views of the Wolds that the hall is so fortunate to have.

Our Remembrance Day display of Foxholes and Butterwick artefacts throughout November was much appreciated by all visiting the library; many books and DVD's from our War collection both fact and fiction, were eagerly browsed and borrowed.

This month, as Christmas approaches, we shall be featuring a wide collection of Christmas Cookery and Crafts books, along with seasonal novels to suit all tastes.

Warm mince pies will be served with tea and coffee and there will be a raffle. Come and enjoy this Christmas period in our beautiful community hall, meet friends and make new ones.

We look forward to seeing you.

Happy Christmas to all

Sherburn

Sherburn Parish Council

Sherburn Parish Council is wanting to promote a cleaner and safer village, with one of the ideas being considered the distribution of 'doggy gift bags' to dog owners within the parish.

The aim of this project is to encourage dog owners to clean up after their dogs and will include dog waste bags and a bag to carry them in.

Is this something you, as a resident of Sherburn, would be interested in? Do you think that the parish council could do anything else within the village to promote it?

Your feedback would be appreciated. Please send your comments to the Parish Clerk via our email address sherburnpcclerk@outlook.com, alternatively please visit our website www.sherburnparishcouncil.org.uk
