A View from County Hall

Topic of the moment for all councils and public bodies has to be GDPR – General Data Protection Regulations, but do we love or loath it? At first glance it seems like another layer of bureaucracy to negotiate our way through but let's take a closer look because many of us now use the internet, social media and smart phones on a regular basis. We are all targeted by very specific adverts tailored to our personal needs, so perhaps its right that we should be asking the questions how this tailored information has been acquired and who has the right to hold and more importantly, use our personal data.

We have always had rights under the Data Protection Act since 1984 and this was upgraded in 1998 but 20 years on, the digital world is a very different place. I believe that this increased protection is a good thing, but it poses some awkward questions in relation to Local Authority service delivery.

NYCC deliver over 700 services and each piece of personal information gathered to help each resident has to be held specifically for the reason acquired and with the owner's consent. But what happens if by cross referencing several information silos, we can see improvements for residents or perhaps even help to prevent a life limiting disease through public health service interaction, where do we draw the line?

I welcome the safeguarding of our information but will leave that broader question hanging because there is a lot more thinking through to be done here and a lot more help to be directed to small groups such as Parish Councils.

St Leonard & St Mary's RC Church, Malton

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

Weekday Masses at St Leonard & St Mary's RC Church, Malton, which have been held in the parish community centre during the winter, returned to the church from Monday (May 21) now that the weather has turned milder.

Sixteen young people received their first Holy Communion at the church last month followed by a reception in the parish community centre.

A letter of thanks from CAFOD, the international aid agency, for our offering of £386 is on the church notice board. St Mary's School has raised £1,300 for CAFOD. Thanks to all children and parents for this excellent achievement. Because the government are match funding these amounts the figures become £772 and £2,600 respectively.

Churches Together in Southern Ryedale, which includes St Leonard & St Mary's, organised a Christian Aid service at Norton Trinity Methodist Church. The guest speaker was Stephanie Cooper, Christian Aid's North and East Yorkshire Co-ordinator.

A "Released for Mission" - Growing the Rural Church in Yorkshire - was held at Norton College. The day included workshops focussing on Ministry futures in a rural context. The speaker was the Rt Rev Jones KBE, the former Bishop of Liverpool.
