St Leonard & St Mary's RC Church, Malton

THE sum of £166 was raised from a quiz night involving 11 teams at Suddabys Crown Hotel, Malton, in aid of the Joanna Rookes Memorial Fund.

The fund was set up following the death of the 35-year-old Malton Hospital medical secretary in a road accident outside an aunt's house in Newbiggin, Malton, 10 years ago.

The quiz was the first of 10 events being planned this year to mark the anniversary of the former Malton RC Primary School pupil.

A special Mass was held at St Leonard & St Mary's RC Church, Malton, where the family have been parishioners for many years.

The family are also keen supporters of Celtic Football Club and Joanna had just returned from watching her team play in a match when the tragic accident happened.

The money raised so far has helped to build a new library at the school but the events this year will be split between the school and other local charities.

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

Priest is Father Tim Bywater while Mrs Sue Westmacott is the pastoral assistant.

Calling local farmers and landowners

Nature conservation charity, the RSPB, would love to hear from local farmers and land

managers in who are interested in helping nature thrive on their land.

The Yorkshire Wolds and Coast is one of the best places for wildlife in the UK and has huge potential to provide even more homes for important farmland birds, as well as other animals from butterflies and bees to hares and hedgehogs.

As a result, RSPB conservation advisor Chris Tomson is offering free advice and support to anyone in the area who wants to manage their land in a more wildlife-friendly way.

As well as advice, the RSPB is also offering farmers in the Yorkshire Wolds and Coast area free farmland bird surveys.

These stock takes will show what wildlife makes its home on a farm and, when repeated at a later date, will reveal how a farmer's efforts are producing real results for wildlife.

Farmers interested in chatting to Chris about giving nature a home on their land can call him on 07900 164 601 or email him at

chris.tomson@rspb.org.uk.
