A View from Ryedale House

By the time you read this article, it is anticipated that Ryedale District Council will have agreed on a rise of £5.00 to its share of the annual Council Tax for the period 2018 to 2019. This will increase Ryedale District Council's current share which is £186.05 to £191.05, representing an increase of around 2.7%. By the time North Yorkshire County Council have included their increase along with the police and fire service precepts, residents in a Band D house could see an increase of approximately £80 a year.

The search for a new Chief Executive for Ryedale Council continues.

There were no applications for the post at the close of the initial search period which was open to Ryedale Council employees. The Council is now considering other options including a possible collaboration with North Yorkshire County Council. However, we are at an exploratory stage and will need the ratification of the Full Council before progressing any further.

The above option does have advantages as there are already many shared services between Ryedale District Council and North Yorkshire County Council.

Finally, I have a meeting planned for early next month with our Local MP Kevin Hollinrake to discuss the proposed changes by York CCG to healthcare services that affect our region. These could have an unwelcome impact, and I will advise of any developments.

St Leonard & St Mary's RC Church, Malton

The First Communion candidates at St Leonard & St Mary's RC Church, Malton, invited parishioners to enjoy some coffee and cake after Mass on Sunday February 25. All the money raised will go to the CAFOD Connect2 project.

Lent Lunches are being held every Friday during Lent, starting on February 16 between noon - 1.15pm in the Baptist Church Hall on Wells Lane, Malton, with the proceeds going to Christian Aid. They involve different churches in the Malton and Norton areas and St Leonard & St Mary's Church's turn was scheduled for on March 16th in conjunction with St. Peter's, Norton.

Stations of the Cross during Lent: On Wednesday February 21 the CAFOD Action Group lead Stations of the Cross. On the remaining Wednesdays (up to March 21) Stations of the Cross will be led by members of the parish with an earlier starting time of 5.30pm.

A retiring collection was taken after Masses one weekend towards supporting the Church's work on racial justice issues. The theme this year is "Belonging". One aim is to ensure that parishes welcome newcomers, strangers, and those from different backgrounds, but also that all people will know they will find a welcome.

Community Speed Watch - Weaverthorpe

February 2018 marked the first anniversary of the
Community Speed Watch team operating in
Weaverthorpe. The team members are keen to let you
know what we have achieved in that time.

When we started measuring the speed of vehicles
through the village, we were consistently recording 20%
of the vehicles exceeding the speed limit. We have
recorded over 200 vehicles exceeding the speed limit
in the first year. Nearly 25% of those 200 vehicles were
travelling above 40 mph with quite a few travelling in
the upper 40s! Our last three sessions have recorded
between 2% and 5% of vehicles exceeding the limit.
So, we believe that we are having a positive effect on
the overall situation. The scheme is not designed to
catch as many speeders as possible. It is to reduce
speeds and community fears, making drivers aware
that excessive speed in areas with posted limits is
socially unacceptable. We continue to get positive
feedback from residents in the village and quite a
number of drivers who stop and ask for more
information about what we do and how they can get
Speed Watch in their villages. The team is made up of
volunteers who give a few hours per month to carry out
the deployments. If you would like to join our team and
give what time you can, please contact us by emailing
weaverthorpeparishcouncil@gmail.com or telephone
07901 661508.

Foxholes

Foxholes Library & Coffee Mornings

Saturday mornings 10am-12pm
March - 10th and 24th

Chinese New Year fell in February this year, and much fun was had by our visitors as they tackled the Chinese quiz, the Chinese inspired word cross and laughed [or cried] at the Chinese proverbs scattered through the hall.

The lovely table dressings were much admired and added to the welcoming atmosphere. Books, DVD's, jigsaws are on offer; relax with refreshments for a donation.

Choose from tea, coffee, hot chocolate, cordials, biscuits. Served in the cosy hall with

lovely views and congenial company.

We have a fine collection of Spring related books to inspire you and we now have a regular table featuring works by individual authors, so please come along and see what you are missing and hopefully, be tempted.

All our willing volunteers look forward to seeing you.

Foxholes Library Receives Two Grants.

The library, which depends wholly on donated books and volunteers, received a welcome boost to start the New Year 2018. We learned that it has been awarded two substantial grants from local funding. May we, the volunteers, say at once, how delighted and humbled we all are by this.

Our thanks go to Councillor Janet Sanderson, the £500 funding you secured for the library will hopefully mean many children will be attracted to come and browse whilst adults can have a well earned cuppa.

Many thanks also go to Sarah Robinson at NYCC Stronger Communities programme for her unstinting support and for being responsible for the £580 allocated to be spent on furniture and equipment for the library which will help provide better and new activities.

Duggleby

Duggleby 106 money update.

The subcommittee for the Parish Council has been
working hard to bring to life the two projects identified
and agreed by the residents. The application for the
106 money has been submitted to the District Council
for the initial project of the six gateway signs. A site
meeting has taken place with Highways to identify the
sites for the new signs and agree the text. It is hoped
that the installation of the gateway signs will assist
with slowing traffic down as it enters the village.

The additional project of a multi-user shelter is being
worked on. The type of shelter has been identified and
quotes obtained. Highways have agreed the proposed
site and the licence has been applied for. Additional
funding is required to complete this project, therefore
Lottery grant funding is being applied for to assist with
meeting the cost, alongside the 106 money and a
grant from Councillor Sanderson's ward grant budget.

We will endeavour to continue to keep you up to date
with progress.
