## A View from County Hall

Love them or hate them the issue of street lights in North Yorkshire is a complex one, so I hope my piece this month will bring you some enlightenment! Historically and generally NYCC own the lights that serve the roads and the footway lighting is owned by either the District or the Parish Councils. NYCC have contracts for some maintenance of PCs and District lighting. OK so you just want to know who to report to when a light doesn't work. The best way to do this is on line at [www.northyorks.gov.uk/streetlighting](http://www.northyorks.gov.uk/streetlighting)

At our last NYCC Executive meeting we agreed an ambitious plan to replace the standard sodium street lighting with new LED technology. This may sound extravagant when funding is tight however NYCC maintains 50,400 streetlights in North Yorkshire, which cost about £2.1 million to power and £1.2 million to maintain every year. The new, more efficient LED equipment will cost about 40% less to power and it is anticipated that it will offer an annual saving of about £1.285 million on completion of the project. The new lights are more environmentally-friendly and will play an important part in reducing carbon emissions as well as helping to mitigate any future rises in electricity. It really does look like a classic case of *spend to save* - money and the environment.

For the 7.30pm viewing we have 'The Martian' (12). Utterly thrilling and great escapist entertainment. Matt Damon is in splendid form and leads a stellar cast.

## St Leonard & St Mary's RC Church, Malton

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

The CAFOD Harvest Table at St Leonard & St Mary's RC Church, Malton, raised £188 for the church's partners in El Salvador.

The Parish Gift Weekend this year will be on November 4/5 when funds raised go to the upkeep of the church. The gift weekend replaced the annual Christmas Fayre some years ago following a survey among parishioners. During the colder weather the weekday Mass will be celebrated in the parish community centre rather than the church except on those Wednesdays when there is Eucharistic Adoration at 11am and Mass at Midday. Parishioners are being asked to think of the seafarers and knit a woolly hat for them through the Apostleship of the Sea. Patterns and details are available from Stephanie Winter.

Churches Together in Southern Ryedale, which includes St Leonard's, organised a coffee morning at St Michael's Church, Malton, in response to the Disasters Emergency Committee appeal on behalf of the Rohingya People who have had to flee from violence in Myanmar and take refuge in Bangladesh.

Priest is Father Tim Bywater while Mrs Sue Westmacott is the pastoral assistant.

Can you spare a couple of hours a week or fortnight to provide friendship to a person being cared for at home so their carer can have a bit of time for themselves?

Ryedale Carers Support is currently looking for volunteer

sitters for their freesitting service - Particularly those able to volunteer in the Sherburn, Rillington and Wolds area. The service has proven to be a lifeline for many local people. A volunteer sitter provides companionship for one or two hours a week or fortnight, which enables a carer to go out and visit friends, continue with a hobby or simply catch up on some much needed rest.

The charity's sitting service is free for carers as it is delivered by a team of dedicated volunteers, many of whom have been volunteering for the service for a number of years. The volunteers provide companionship but don't provide any medical or personal care - Their role is simply to provide friendly, supportive company and all travel expenses are met by the charity.

The charity welcomes people of any age, from all backgrounds, who can spare a couple of hours a week or fortnight to give a carer some much needed time for themselves.

'Without our fantastic volunteers we would not be able to provide this service,' says Sarah Lally-Marley, the charity's Community Development Worker, 'You can never underestimate the impact a volunteer can have on a carer's life.'

If you would like to find out more about becoming a volunteer sitter you can call Ryedale Carers Support on 01751 432288 or you can visit their website [www.ryedalecarers.org.uk](http://www.ryedalecarers.org.uk)
