## A View from County Hall

I read in the papers that "Ryedale DC votes to reject government proposals on planning applications for fracking." I was at this meeting where there was an overwhelmingly vote to support local planning decisions being made by the relevant local planning authority. It's not my intention to open up a debate on hydraulic fracturing here but to look at some of the points behind the motion brought to the meeting.

Any application for the extraction of gas would be made by NYCC as the relevant planning authority and not the district councils. It was somewhat frustrating then, that a hefty proportion of the meeting time was spent debating something that 1) we all unanimously agreed on, and 2) was not a power being removed from RDC. It also meant that very important local decisions such as the future of the Malton Livestock Market were pushed to the back of the agenda.

I have always argued that planning decisions should be kept in local hands primarily because a local committee understands the local issues and is able to put in planning conditions to mitigate potential problems arising from the development. This does however mean that the planning committee do have to be very brave when making decisions that adhere to local democratically produced planning policy, but are unpopular decisions.

One of the misconceptions raised was that the NYCC planning committee did not make a legitimate decision on the application for hydraulic fracturing at Kirby Misper ton because it did not include a Ryedale member on the NYCC committee. It's worth pointing out that there is no Thornton Dale ward member on RDC planning committee, but the committee still makes decisions on development in the Thornton Dale ward, that is the nature of a committee system.

Finally, and as you would expect, despite the problems and great expense incurred by the last application for hydraulic fracking, NYCC members strongly support local decisions being kept with the relevant local planning authority.

## St Leonard & St Mary's RC Church, Malton

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.00 am on Sundays and various other services are held throughout the week.

Please note that the time of the Sunday morning Mass at St Leonard & St Mary's has been moved from 9.30am to 9am to take into account a link up with St. Joseph's at Pickering. Apostleship of the Sea invited parishioners at St Leonard & St Mary RC Church, Malton, to "AOS PAST, PRESENT AND FUTURE", with buffet lunch and a talk from Port Chaplain Anne McLaren. The aim was to explain the origins of AoS; their important work with seafarers today; and how people could be a part of their future. The event took place on September 25 at 12.00noon in St Margaret Clitherow Church Hall in Haxby, York.

Journey in Faith: The meetings have begun in the Parish Centre. The aim is to meet fortnightly during the autumn. New members are particularly welcome at this time. Anyone who wants to find out more about the faith of the Catholic Church, both enquirers from without and parishioners from within are welcome. For more information please contact Sue Westmacott. (01653 628035 susanwestmacott@gmail.com)

Priest is Father Tim Bywater while Mrs Sue Westmacott is the pastoral assistant.

## Foxholes Library & Coffee Mornings

October Saturday 6<sup>th</sup> & 20<sup>th</sup>

It has been a lovely summer  
with plenty of you saying how  
much you have enjoyed  
reading in the garden. Now it is  
time to think about getting the  
hot chocolate out to replace  
that nice cold drink, and, of  
course, you will be needing  
some suitable reading to go  
with it. Look no further. We have stories and  
jigsaws for all tastes and abilities, and some of  
you have very eclectic tastes which we are  
stretched to find! But we aim to please and you  
are invited to come and browse; let us know  
what you like to read, and you can keep the  
books as long as you need to.

There is no pressure to return items quickly.  
Let's face it, some jigsaws are almost  
impossible. Looking forward to welcoming new  
readers and jigsaw enthusiasts.
