A View from County Hall

I write this piece on the train returning from the three day National Children and Adult Services Conference in Manchester. This is a stimulating conference with topical presentations and lively debates on adult and children's social care, issues close to the hearts of all our communities.

Presentations from both the Children and Families Minister and Minister for Health and Social Care were rigorously challenged on the looming funding crisis for local government. North Yorkshire was referred to several times as an exemplar of their innovative work in children's services, however our director was quick to point out that even though we have made responsible efficiencies and transformed services, we still face a projected £1.1 million overspend in our children's social care budget. We welcomed the one off money directed to us in the recent autumn budget, but sustainable services are predicated on core funding and not one off windfalls.

Clearly the DfE have now got the message but rightly need to base their spending review on "what

works" and this is challenging when it comes to evaluating work such as Prevention. Overall the mood was positive and as is usually the case, the networking and exchange of ideas at the edge of the conference was as valuable as the formal sessions.

Christmas will be almost upon us by the time this is published, so may I wish you all a happy festive season and best wishes for the New Year.

Luttons and Weaverthorpe Website

In order to comply with the General Data Protection Regulations which were introduced earlier this year we have had to carry out some modifications to the Valley web site to ensure compliance. In

future if you send an article for inclusion on the main part of the web site about an event that you want publicised, it will be automatically deleted one month after it is posted. So if you want to publicise an event months in advance of it occurring you may have to send it to the website more than once. Sorry for any inconvenience this may cause but we have to comply with legislation.

Wolds Valley 'Pop Up' Community Cinema

December sees us showing our Family film for Christmas, Paddington 2 (PG), on Saturday 15th December at 5pm at Weaverthorpe Village Hall.

A great film for all the family regardless of your age! I think it is better than Paddington 1, Hugh Grant really comes into his own playing the baddie. As always, for this showing ices are free for all and also a bag of sweets for the children. Children must be accompanied by a responsible adult. We rely on

your donations.

Foxholes 100 years Commemoration

We would like to say a huge thank you

to everyone who supported the

Commemoration of the 100 years

since the end of WWI and the

honouring of those killed in both world

wars. Foxholes library volunteers put

together an exhibition on 10th and

11th November of memorabilia loaned

by local people. The artefacts and

information proved to be every bit as

interesting and informative as any national

exhibition. People came from far and wide to take

part or just browse. The five silhouettes from the

RBL 'There but Not There' programme were placed

in situ to remember the dead of Foxholes and were

regarded with the respect due to the fallen soldiers

they commemorated. They will have lasting impact

on all who saw them.

Our especial thanks to Councillor Janet Sanderson

who came to lend her support even though she had

such a busy weekend. Thanks also to Rev Stuart

Grant who conducted a fine Service of

Remembrance which was much appreciated by the

many people who attended. It was most heart

warming to see the hall packed to capacity on such

a moving occasion.

Overall, the magnificent sum of £621 was raised in

aid of the Armed Forces Covenant Trust Fund - Help

for Heroes.

FOXHOLES LIBRARY

December brings out the worst in our volunteers. They come over all Christmas and get out the ever growing collection of soppy, sorry

'Romantic', - usually snow-themed books alongside all the more sensible Christmas crafts and recipe books. Please come

along and see if anything inspires you. Or, you prefer, you can read the weekend newspapers we have on offer over a cup of coffee and a mince pie if you have no time to be knit or cook. We usually have a jigsaw on the go as well.

By the way, if you have a portable jigsaw holder that you no longer need, please think of us.

Our lovely hall is especially appreciated now as it always warm. Usually around 20* so you won't shiver over your beverages.

We will be open as usual 10am to 12pm alternate Saturdays and look forward to welcoming you. We have plenty of car parking.

Our dates for December are the 1st, 15th and 29th then 12th January.
