## A View from County Hall

Of course I would like to start by giving you all the definitive answers to everything you need to know about Brexit. Even if I could, I am sure they will all have changed by the time this goes to print! What I can confirm is that we have made contingency plans at NYCC based on our best guess but I don't think anyone can predict the full ramifications of these turbulent times. Whatever your personal stance on the matter, I do believe that this has gone far beyond redefining our relationship with Europe and the malaise is spilling out over the general political landscape.

I work with the full spectrum of elected representatives from Parish to Parliament and the majority of people I work with do this job because they care passionately about the communities they represent. Very shortly, communities will be looking for candidates to stand for both Parish and District council elections held May 2019. These positions are very valuable to our rural communities that need a strong voice. You don't need any particular qualifications and training is given. I remember being asked back in 2011 what three skills a potential candidate required to best represent their community. My reply back then was "communication, communication and communication". Experience has taught me better and now in 2019, my reply to that same question would be "communication, negotiation and an ability to deal with frustration!".

I am happy to talk through further details with any prospective candidate interested in standing, please feel free to contact me.

@woldsvallywarbler

Lead has been stolen from the roof at Sledmere church twice in the last couple of months. Apparently the price of metal has shot up and so it makes it worth their while to come and see what they can steal.

Therefore we thought it might be a good idea to ask people to keep a watchful eye out especially around the more vulnerable metals on the churches, farms, windmills and even the lamp-posts.

## St Leonard & St Mary's RC Church, Malton

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.00 am on Sundays and various other services are held throughout the week.

The 'Catholic Voice' has an article by a St Leonard & St Mary's, Malton, parishioner, Marion Cuthill, about the online Certificate in Pastoral Ministry. This is an excellent way to enable more lay people to take their full part in the Church and to work alongside the priests and the Middlesborough Diocese is offering to contribute to the cost.

See - <https://www.luc.edu/ips/continuing-education/certificateinpastoralministrynortheastengland>.

A coffee and cake sale took place in the parish centre towards the end of January following a Sunday Mass and it also enabled people to have a chat with parish assistant Sue Westmacott about how to support the charity Survive.

## St. Mary's West Lutton

Mary thanks to Ann Richardson and Marylyn Clegg for their year round manufacture of Crafts and Jams and to all the other ladies who have contributed cakes and buns and other items for sale at various events throughout 2018. Their wonderful efforts have raised a fantastic £520 for Church funds. A special thank you also to all those who give regularly at Church services and by monthly direct debit to keep our Church alive and open for business.

Governors are essential for the effectiveness and success of the school and it is an extremely rewarding and fulfilling role.
