

Warbler

A View from Ryedale House

The past month has been a little quieter or perhaps it is more that I have settled into the routine of being a District Councillor. I am aware that the recent relentless wet weather has caused havoc for both farmers and residents alike and if there is any way that you feel I can help, please contact me.

I have now attended all of my Parish Council meetings with the exception of Weaverthorpe and Luttons but hope to get to both in the near future. I managed to visit the library at Foxholes village Hall, it is a brilliant community facility, has a fantastic selection of books and Dvds and is well worth a visit on a Saturday morning, even if just for a coffee and chat.

I have attended various Police Fire and Crime Panel meetings as the representative for Ryedale District Council and tackling Rural Crime has been on the agenda. If you have any experiences of or concerns regarding crime in your area please let me know and I can pass these on and request that they are addressed.

Hopefully the General Election will end the current dissatisfaction with the state of politics at present but whatever the outcome I will continue to try and address issues affecting my ward members.

I wish you all a Merry Christmas.

Duggleby Community Spirit

Sue Preston of Duggleby would like to thank the community for their recent help and concern when one of her dogs had escaped from her garden due to a gate being left open. Many people took part in a search and one kind lady took the dog in and kept it safe until it was collected.

Warm & Well in North Yorkshire

Warm & Well in North Yorkshire is a partnership of charities and organisations across North Yorkshire working together to tackle and reduce levels of fuel poverty, supporting people and communities to stay warm and well in winter. It is funded by British Gas Energy Trust and North Yorkshire County Council and is administered by Community First Yorkshire, with Citizen's Advice Mid-North Yorkshire running the helpline. In the Ryedale District we are working closely with a range of organisations to ensure we can support those who need it. This includes White Rose Home Improvement Agency, Citizens Advice Ryedale, Ryedale District Council and other local groups.

Warm and Well in North Yorkshire aims to reach a wide range of communities and households across the seven districts of North Yorkshire. The help on offer includes:

- Advice on how to save money on energy costs, switching suppliers, grants and priority services
- Home visits to advise on how to make your home warmer and more energy efficient, or for help with minor repairs
- One-to-one debt advice
- Accessing a Hardship Fund for those in need

Support is aimed at those on low incomes, receiving benefits, families with small children, people with disabilities and long-term health conditions, and vulnerable older people.

If you feel that you need any extra help to stay warm in your home, please get in touch to find out what support you could receive. Visit our website at warmandwell.org.uk, call the Warm & Well team based at the Citizens Advice Mid-North Yorkshire on 01609 767555 or email wnw@northyorkslca.org.uk.
